

NOTICE TO PARENTS
AND GUARDIANS

Provisions of Compulsory Attendance Law.

Notice is hereby given that under the provisions of Sec. 10896 to and including 10905 Revised Statutes of Missouri for 1909, and amendments thereto, the following concerning compulsory attendance of children in the public schools is required to be enforced:

1. Every child between 8 and 14 years old must attend some day school at least three-fourths of the term each year.
2. Every child between 14 and 16 years old, when not regularly employed, must attend some day school at least three-fourths of the term each year.
3. No child can be excused on promise to attend; he must attend the first three-fourths of the term before being excused under the law.

Courts having jurisdiction (Justices of the Peace in rural districts and in cities having less than 50,000 population) may excuse children from attending school for the following reasons: (1) Parent cannot supply proper clothing; (2) child is mentally or physically unable to attend; (3) no public school in two and a half miles of the home; (4) child has completed the common school course.

5. No child under 14 can be employed except as agricultural pursuits and in domestic service unless excused for one of the four reasons, or has statement from teacher that he has already attend three-fourths of the term for that school year; no child between 14 and 16 can be legally employed without an employment certificate issued by the school authorities.

6. It is the duty of the attendance officers and district clerks to notify parents and guardians when children fail to comply with the provisions of the law.

7. The secretary or clerk of board must furnish principal or teacher at the beginning of term with a copy of enumeration. The principal or teacher must compare the list with enrollment and report at the end of each week during the first month, and as often as necessary after that, the names of non-attendants.

8. The clerk or secretary of board must report to the County Superintendent on or before the end of each of the three quarters of the school term the names of parents or guardians of non-attendants.

9. The penalty for non-attendance falls on parent or guardian, and is a fine of not more than \$25 or imprisonment for 10 days, or both.

10. For illegal employment of a child, the employer is subject to a fine of one hundred dollars and costs and imprisonment for one year.

11. Every school board shall publish this synopsis in newspapers of the district or post in at least five public places ten days before school opens each year.

Henry Kroeck, Sr., retired farmer, 2009 Main St., Lexington, says: "The grip left my kidneys awfully weak and they acted much too frequently, day and night. The passages of the kidney secretions gave me much annoyance; I had to get up many times during the night. Doan's Kidney Pills gave me great relief and I keep them on hand now to use as a preventative." 60c at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
